

# Harmonic Heroes

## Steal the Show

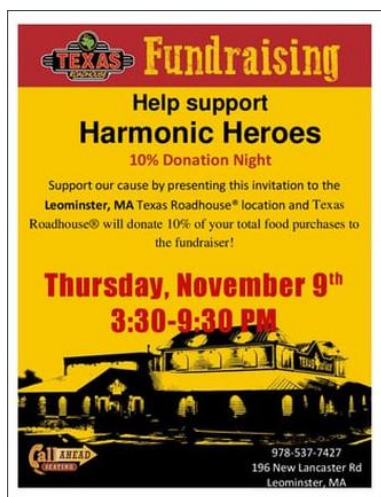

On Thursday, November 9<sup>th</sup>, the *Harmonic Heroes* Venture Team hosted a "restaurant & raffle" style fundraising event at the *Texas Roadhouse* restaurant in Leominster, MA.

**Harmonic Heroes** is a Venture Team that launched in March of 2017 out of Oakmont Regional High School with the mission of granting underprivileged children the opportunity to learn music through gifting them musical instruments and paying for their first three lessons.

The event at *Texas Roadhouse* allowed guests the opportunity to donate 10% of their meal costs to benefit *Harmonic Heroes*, as well as the opportunity to win raffle prizes and baskets.

Although the total has not yet been calculated for how much money was gained through the 10% meal purchase donations, the fundraiser brought in almost \$200 in raffles alone!
