LHVA Community Survey

Say Goodbye to the Winter Doldrums! Snowdrops are blooming, and daffodils are around the corner!

The LHVA is very interested in hearing from everyone who cares about the Lantern Hill Valley lakes - whether a local, a friend, or a supporter living elsewhere.

LHVA Board members have been visiting the lakes, making brief door-to-door visits to gather feedback on our lakes and any other concerns you might have. If you were not home, we left the survey on your doorknob along with our new LHVA Brochure to highlight what makes our lakes and organization special. We have also sent an email with the survey to friends who are not on the lakes, along with a friendly reminder :)

We are eager to hear your thoughts and concerns about our shared water resources, and we appreciate the time you've taken to share them. Thank you to those who have already submitted a survey, and we look forward to receiving more. If you haven't yet had a chance to complete your survey, it's not too late. Please take a moment to do so below and email it back to us. We would love to have them in hand before the end of April :)

Below are links to information about the survey's purpose. For convenience, the survey questions are in a Word Doc, so you can fill them out and email them back to **Info@theLHVA.org**.
