Dear Brothers and Sisters in Christ,

We are about to start a new group called “The On-Ramp” – part a personal journey and exploration of who God is and how you fit into His plan, part an experience for learning and growth. Please consider this a personal invitation for you to attend – any in your family high school age or older are welcome to participate. We will meet one day only for an intensified version of this group study Saturday, November 7, 2020 from 9:00am to 4:00pm. We will have this set up in a hybrid fashion, so that we can have people both present in-person and able to participate remotely.

“The On-Ramp” journey will cover the teachings of Mountain View and encourage you in your daily walk as a disciple of Jesus. In addition, this is an entry point for those interested in joining the congregation – however, there is no obligation or expectation to become a member.

For those who are interested in church membership, we’ll be having a New Member Sunday tentatively scheduled for – Sunday, November 15 at either our 8 or 10:30 service. Ever-changing guidelines may lead to some schedule revisions on how to receive our new members.

People who are transferring membership from another Lutheran congregation are not required to attend in order to transfer membership, though you’re more than welcome be part of “The On-Ramp.” If you wish to transfer from another Lutheran church without participating in the On-Ramp, please fill out the “Membership” form on our website, at the link indicated below.

If you are interested in walking this path together, please go to <https://www.mvlcs.org/church-quicklinks/> and follow the link to “On Ramp Group Interest” – this helps us plan the most appropriate space to meet and having materials ready for you. I look forward to undertaking this journey together and getting to know you better.

In Christ,

Pastor Derek Klemm
