

Andrews Elementary School Mid-year Wishlist

First Presbyterian Church has been extremely generous to Andrews Elementary School. The teachers and students are very grateful for the snack packs, the reading buddies and teacher appreciation activities that our congregation has provided. As the new semester begins, supplies are low and a new infusion of support would be greatly appreciated. The following items have been requested by the school social worker and will be collected through January: toothpaste, lotions, chap stick, soaps, Q tips, vaseline, shampoo, conditioner, body wash, hair lotion (Cantu is a good product at Walmart) hair brushes, combs, pony tail holders, female hygiene products (1 or 2 pks pads only), detergent (wash clothes), clorox, fabric softener, deodorant (girls and boys) toothbrushes, floss, gloves, hats, mouthwash, clorox wipes, girls/boys underwear 6, 8, 10, 12, 14, 16 (boys' boxers preferred), baby wipes, socks (different sizes for children). Hotel soaps, lotions , etc. are fine as long as they have not been kept for a long period of time. Please consider directing your contributions to Andrews this month.
