

# Elevate Your Loss Prevention Game by Becoming Psychology-Informed with FifthTheory

## Psychology-Informed Loss Prevention Professional Basic Course

Expand your perspective from traditional loss prevention techniques. Delve into the mind's intricacies to predict, understand, and deter. FifthTheory offers you a unique pathway to becoming a truly insightful loss prevention professional in an online training and certification course.

- Forty-six (N=46) loss prevention and asset protection professionals were surveyed before and after they received a 2-hour orientation on loss prevention psychology.
- After the workshop, 93% of attendees felt they would benefit personally by becoming PI-LPP certified, and 98% felt their organization would benefit.
