Decorative Pendants RD Series

Gorgeous new finishes

Intricate new finishes add a tailored, customizable, design to your standard pendants

Digital manufacturing techniques create new surface textures resembling woven, deeply etched finish styles or even custom logos.

Tailored to your preference

Custom designs for demanding project needs

With our flexible digital production system, our fixtures can be modified in a variety of ways. Contact us to discuss your specific needs.

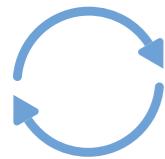

Fast lead times

Custom options delivered fast

We can supply a wide range of customization options without long lead times.

Our revolutionary new manufacturing technology allows us to deliver unprecedented speed, flexibility and economy.

Circular economy ready

Fixtures inherently designed for low environmental impact

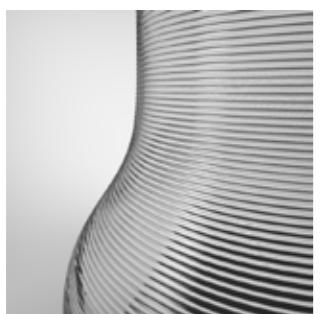

We optimize the design of our fixtures expressly to reduce our product's environmental impact: Lightweight materials reduce our carbon footprint during production and reduce the fixture's weight to minimize our transportation footprint.
