

POSTPONED TILL MAY 31

TASTE OF THE VALLEY

Taste of the Valley has been postponed till Sunday, May 31. It will still be at the Grand Summit and nothing will change on how the event runs. We are well prepared and have lots of great auctions and samplings to enjoy.

With the coronavirus and schools closing and families having to lose work. Scholarship for our programs and summer camp will be at an all time high. We hope that you all will join us on May 31.

Be well and safe.
