## Picture Day has never been so easy!

## Tips for Parents on Picture Day

- Dress to impress! Make sure the outfit of choice shows off your child's personality, while also making them look their best! *Try to avoid distracting logos, slogans and big patterns.*

- Images are captured using a greenscreen. To avoid any issues with greenscreen removal, please refrain from wearing green.

- Not only do you want to send your children to school neat and well groomed, but you also want to send them with a positive attitude.

## Don't Forget to Smile!
