

## THE LLAIC BOARD IS SEEKING NOMINATIONS

LLAIC has named a nominating committee to recommend a member to be elected. A slate will be presented at the annual meeting, on Wednesday, May 26, 2021, to be voted on at that time.

The Board is responsible for LLAIC governance and actively manages Board and committee activities. The beginnings of the three-year terms of service have been staggered to provide for a steady rotation of directors.

Board members typically serve on one or more committees. Currently heads of the Curriculum, Operations, Membership and Let's Go standing committees are Board members. There are other *ad hoc* committees and task forces which require Board involvement or oversight, such as the periodic customer survey task force and the ongoing luncheon program task force.

### Qualifications to be a nominee:

- Must have been a member for at least two of the last three semesters.
- Must have participated actively on a committee or in another volunteer capacity in a formal or informal leadership position.
- Must be willing to attend Board meetings on a regular basis, scheduled on Monday mornings monthly year-round, and added (rarely) as situations arise and fulfill volunteer functions as required.
- Must have demonstrated ability to work collaboratively in an atmosphere of mutual respect.
