

Maryann Wyner joined LLAIC in 2015, and found it a joyous and rewarding experience. During this time she has been a class helper, directed and acted for the LILAC Players, taught several classes and served on the Board as well as the Membership Committee. Currently she is its Chair.

Prior to LLAIC Maryann managed a craft store in Framingham (Homespun Ltd) where she developed many new creative and managerial skills. I taught high school English and History, worked as an assistant director for 33 plays and held the administrative position of Eleventh Grade Dean. She loved working with high school students, but is thoroughly enjoying her new life as a busy and engaged retired lifelong learner.
