

The Galilee Mission is turning 40 and we need YOUR help!

Since 1984, The Galilee Mission has helped thousands of men and women recover from alcohol and substance abuse. With locations scattered throughout South County, RI, we are a non-profit providing help, hope and healing to those seeking sobriety. In order to celebrate our journey thus far, The Galilee Mission will be hosting a 40th Anniversary Gala this fall, and we need your help to make it a success!

Would you consider making a donation, or even becoming a sponsor?
Any contribution would help, especially a raffle prize or silent auction item!

Our gala will be held:
Thursday, November 7th, 2024
@ The Narragansett Towers
6:00PM-9:00PM

Tickets will go on sale late August
