OCEAN STATE WAVES

P.O. Box 443 Wakefield, Rhode Island 02880 www.oceanstatewaves.com

Summer Baseball at Old Mountain Field in Wakefield has come to an end for 2025. We had a very exciting season although our record did not reflect the hard work and success our players had. It was an exciting year for the boys, 5 of our summer roster were drafted or signed with MLB teams during the July MLB Draft. When you come to a waves game you may be watching a future major leaguer as they hon their skills and chase their dreams. Several former Waves players got called up from the minor leagues to majors during the season. Of note **Brandyn Garcia** (2022 Waves); he was called up and pitched for Seattle Mariners, debut 7/21/25, and is now having a successful season with the with Diamondbacks

We are now well on our way building our 2026 roster and get ready for next summer.
There is never a day off when working to bring quality summer collegiate baseball to South County Rhode Island.

Please stay tuned for announcements of future upcoming events this fall and winter.

The Ocean State waves are always looking to expand our 'Waves Family". Consider joining us and become part of the Waves and New England College Baseball League community.

Host Families:
Please consider becoming a **HOST family** for one of our college ballplayers. It is a wonderful experience to share your home with a player and have him mentor your little leaguer and share their baseball experiences. Interested families, please contact Jen Petrucelli, or Eric Hirschbein-Bodnar at OceanStateWaves@Gmail.com or OSWHostfamilies@gmail.com.

SPONSORSHIPS and DONATIONS:

As a 501 (C) 3 Non-Profit, The Waves are always looking for new SPONSORS or DONATIONS to support our efforts. All proceeds from sponsorships and donations will go directly to the Ocean State Waves and be used for the following expenses: Gear and Equipment, Travel Expenses, Baseballs, Field Rental Fees, Feeding Our Players and Staff, Field Upgrades, Player Development Fees, Liability Fees Etc. Please contact **Eric Hirschbein-Bodnar: OceanStateWaves@gmail.com for more information how you can help and join the WAVES family.**

Please consider supporting the Ocean State Waves.
