City of Hollister Introduces Airport Director Jeff Crechriou

HOLLISTER – On October 9, 2023, the Hollister City welcomed Jeff Crechrio, to serve as the City of Hollister's Airport Director.

Mr. Crechriou began working in municipal public service in 2005. He joined the City of Marina holding positions ranging from Financial Analyst, Management Analyst, and Acting Economic Development Manager. In 2013, he began his aviation career as Airport Manager at City of Marina Municipal Airport and most recently with Solano County Nut Tree Airport.

Mr. Crechriou brings a wealth of experience in all aspects of airport management including operations and maintenance, planning and development, budgeting, leasing, and working with stakeholders such as Federal Aviation Administration, Caltrans, various County and City Departments, business/developers, airport tenants and pilots, and has 2 years as the Central Coast Region Board Director for the Association of California Airports. Mr. Crechriou holds a bachelor's degree in Computer Information Systems with a Business Management Concentration.

Since early childhood, Mr. Crechriou has continued to enjoy flying with his father, which has ultimately developed his passion for aviation.
