## **MEDIA ADVISORY**

### **Miami Township to hold Parks Plan Public Workshop**

*Family-friendly event seeks public feedback about parks system*

**WHO:** Miami Township Community Development  
Miami Township Public Works

**WHAT:** Miami Township is developing a Parks Plan to evaluate our 10-park system. We are conducting a public workshop to develop goals for the future based on community feedback.

**WHEN:** **Thursday, April 20, 2023**  
**Two sessions: 9-11 a.m. and 5-7 p.m.**

**WHERE:** Miami Township Government Center - Community Room  
2700 Lyons Road  
Miami Township, OH 45342

**INFO:** Miami Township is creating a Parks Plan to help administrators establish practical and desirable changes at township parks. Community feedback is critical to this process. Our Community Development and Public Works departments want to hear from residents about what they want in a parks system. The two sessions are each designed for interactive, hands-on activities that will help identify goals and make any necessary improvements. We are planning unique activities that are family friendly. We encourage parents to bring their children along to share ideas about their favorite Miami Township park. Participants can attend either session. Drop in anytime from 9-11 a.m. and 5-7 p.m.
