

Chico Country Day Choral Program, 2017-18

Ruth Greenfield, director

Look out for some new and improved rehearsal times!!
Choir rehearsals start on the week of August 28th, the second week of school.

Beginning Choir ~ open to 2nd grade and above ~ Tuesday mornings 7:40-8:25

Basic singing techniques, beginning to intermediate harmony and music reading, fun staging/choreography, games, great friends!

No previous experience required. Suggested donation: \$20/month

Concert Choir ~ open to 4th grade and up Monday and Wednesday afternoons 3:00-4:00 pm Friday mornings 7:30-8:25 am

One or more years' experience *or* audition required

Suggested donation: \$50/month

Due the popularity of the Middle School theater elective, we will be using that class to produce our Spring Musical: a Gala incorporating scenes from five or six of our favorite shows. Concert Choir will participate in the spring musical as well, using the above times to put our scenes together for the Gala. *No afternoon choir rehearsals on minimum days.*

Performance Dates

Please reserve all these dates on your calendars!!

Winter Concert: Friday, January 26th

Choir Festival: Friday, March 30th

Spring Concert: Friday, May 11th

Spring Musical: Wednesday and Thursday, May 23rd and 24th

NOTE: It is very ok to sign up for more than one ensemble! Mr. McKenzie and I are very happy to support our musicians in all their endeavors, and we sincerely hope that your families will all feel that they can tap into the music education that will work best for your growing musicians. Also, because our ensembles meet year-round, we try to be very flexible with sports schedules and other activities, so if you want to join but are worried about schedule conflicts, don't despair! We can work out a plan.

Please contact Ruth Greenfield at rgreenfield@chicocountryday.org with any questions.

To register, please fill out the form below
Please check all that apply
