Located on the beautiful Lake Natoma, the Aquatic Center is a National Boating Instruction Safety Center. The Aquatic Center offers classes, camps, facility reservations, team building, youth groups and equipment rentals. This event will include a free tour of the facility, explaining the types of boats in the boathouse, and an overview of their various programs.

Optional: Members can rent equipment after the tour and enjoy Lake Natoma. You don't have to have your own equipment to enjoy beautiful Lake Natoma. Spend time on the water using Aquatic Center rental equipment; kayak, canoes and stand up paddle boards. All equipment rentals are charged by an hourly rate and prorated to the nearest quarter hour.
