## “The Man in the Mirror”

James 1:22-27

### Today's BIG IDEA:

***True Christianity is about application, not information.***

1. A \_\_\_\_\_ (v.22)

A. We are \_\_\_\_\_  
(James 4:17)

B. We are \_\_\_\_\_

2. A \_\_\_\_\_ (v.23-24)

- No matter how long you look in a mirror...no matter how much it reveals to you...it amounts to nothing if you don't take action.

3. A \_\_\_\_\_ (v.25)

- We won't be blessed by our **looking**. We will be blessed by our **doing**.

4. A \_\_\_\_\_ (v.22)

A. Our \_\_\_\_\_ (v.26)

B. Our \_\_\_\_\_ (v.27)

- You can't love God without loving people, and you can't love people without taking care of them.

C. Our \_\_\_\_\_ (v.27)

5. A \_\_\_\_\_ (v.25)

- We have a serious sin problem, but we have a perfect and gracious Savior.

### **Closing thoughts:**

- Our idea of Christianity has to be more about **WHO** we know than **WHAT** we know.
- The life-changing truth of Jesus has to move from our **HEAD** to our **HEART** and from our **HEART** to our **HANDS**.

### **APPLICATION QUESTIONS:**

1. Talk about a time when you asked someone to do something, and they heard you but didn't do what you asked. How do you think God feels when we don't do what he calls us to do?
2. Are you basing your spiritual health on how much you know about the Bible or well you know the God of the Bible?
3. As you look into the mirror of God's Word, what areas in your life need to change?
