A New Season

Back in Pelham, I have a grapevine in my backyard. If you were to look at it right now, it would appear a little unsightly—just a bunch of brown, leafless vines. There is not a grape to be seen...but that doesn't mean they aren't right around the corner.

In a few months, spring will come. A new season will bring new growth to that grapevine. It will sprout new vines and eventually produce new grapes. (While I would love to be there to enjoy them, I honestly hope we are not still living in Pelham at that point!)

Just as a new season means new growth for a grapevine, my prayer is that this new season of ministry at FBC Moultrie will mean new growth for all of us. I cannot wait to see what God has in store for our church family. But we need to remember something—we cannot experience growth unless we remain connected to the vine. Jesus said, "I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing" (John 15:5, ESV).

It is a new season here at our church, but that new season will not translate to new growth unless we remain plugged into Christ. New programs won't bring fruit. New sermons won't bring fruit. New ideas won't bring fruit. Only Jesus can bring fruit.

So let's remain connected to him, and as we do, not only will we enjoy his presence, but we'll enjoy the fruitfulness that comes from abiding in him.

I already love you and am grateful to be your pastor. May God continue to work in us and through us for his glory!

- Pastor Matt

P.S. On a personal note, please continue to pray with us as we close the sale of our house in Pelham and as we search for a new home here in Moultrie. We love you and are grateful for your prayers and support!
