Thanks Paula, yes, my game has flourished. I'm getting most improved player award tomorrow! Not your first, I know, but good for me. I'm down to an 18! Oh my. I came here with a 28 I think two years ago. And I didn't play for six months between my foot surgery and then my knee injury. You should be proud!!! Betty Uhrig

Jim said you worked miracles with his game. He has been saying "I need a little Paula". Thanks again for all your support and positive lessons. I miss you. -Kathy Dawson

I am thrilled with the instruction I have gotten from Paula. I was looking for only a few swing fixes and Paula delivered with some focused tips and without overwhelming me with excessive swing thoughts. The proof is in the results so far. I have been a low 90s shooter but after our first short game lesson my score dropped to 85 and in the second round easily broke 80 for the first time in years! I am very pleased and highly recommend Paula to help with your game. -Duane Thompson

Paula - Thanks for an AWESOME session on Tuesday! I have a lot of faults in my golf swing so it was probably easy for you to pick out a few, but you did it in a very professional manner. I really enjoyed the SGR outing. I had a flight home from Phoenix (to North Dakota) yesterday so played a round at the Wigwam in the morning before my afternoon flight. They have an unlimited balls driving range so spent an hour or so hitting balls and trying to cement in your suggested swing changes. My drives were hugely longer and straighter than before. Really a game changer for me. Thanks again! Best wishes and Happy Thanksgiving! -Keith Battles

You'll also be proud to know that Terri played 18 holes for the first time with someone, and she said she did really well....kudos to you for being a great teacher. You really are!!! You made learning golf very relatable and fun and kept each day very interesting. My husband thanks you too since we can now go out and play a little together:) -Susan Anderson

I wanted to share some excellent news with you. I play in a women's league at a local country club and started out my season with some nasty high scores...121, 111, 107....in league play. Outside of that I was doing a little better. But yesterday, I shot a 99 with the league!!! Had a bunch of bogeys, a few pars (and two 9s!) but it's the first time that I've ever broken 100 in league play. With these women, there are no gimmies, all putts must be holed out, and they are pretty serious. I keep going over all of those swing basics that you taught me and I keep thinking it's finally working its way into my muscle memory. Thank you again for being the best teacher ever!!! xoxo -Susan Antczak
