The Prayer Support Line allows us to come together in unity to be released from our burdens, receive comfort and express our gratitude to God for holding us close during this pandemic.

The Prayer Support Line is a place where we can join with others in prayer for health, healing and spiritual care with the expectation that God will meet us and provide us with encouragement.

Lashondria Purnell, RN, is committed to journeying alongside you and offering prayer support during difficulties and triumphs. You will be covered and strengthened on the prayer team.
