

Family to Family Thanksgiving

Strengthening Families for Life

Traditions like preparing a home-cooked Thanksgiving meal with family promotes confidence, stability and hope during difficult times. Over the last 23 years, Aurora Family Service, its volunteers and generous donors have provided over 70,000 deserving families with ingredients to prepare a Thanksgiving meal in their homes.

As our community faces unprecedented difficult times due to the pandemic, families in Milwaukee turn to Aurora Family Service for the tools they need to regain stability and have confidence and hope for the future. It is more important than ever that together we help local families celebrate Thanksgiving in their homes.

Aurora Family Service is dedicated to providing a Thanksgiving meal to 3,100 families in our community this year.

At a cost of \$35 per meal, Aurora Family Service will need to raise \$110,000 in order to bring holiday cheer to families throughout Milwaukee.

This is truly a community effort. Thank you for your support in helping families celebrate the holiday in a way so many of us take for granted.

- Financial counseling
- Parenting education and support
- Mental health services
- Comprehensive services for the elderly and their families

Messages of gratitude from families who received a meal last year:

"This dinner has been a real blessing for me and my family. This gives us hope for better days ahead. Thanks for bringing joy back to our family." - Karl

"At Thanksgiving time, it should always be about food and family. This food has helped me and my family to sit, laugh, talk and eat. Thank you so much!"

"The dinner I received gave my family hope. As a single mother of 4 and the rising cost of food, it allowed my family to enjoy a hearty and nutritional meal on Thanksgiving." - Carson Family
