

# COVID-19

## Community Testing Sites

Advocate Aurora Health is now offering expanded COVID-19 testing for community members who have COVID-19 symptoms or who believe they have been exposed to COVID-19 in their household or through significant exposure at work or in public.

COVID symptoms include: cough, shortness of breath or difficulty breathing, fever, chills, body or muscle aches, headache, fatigue, sore throat, nausea, vomiting, diarrhea, or recent loss of taste or smell.

**Dates & Times:**    **June 29, 2020**                      **10:00 am to 2:00 pm**  
                                 **June 30, July 1-2, 2020**    **9:00 am--2:00 pm**

**Location:**                      **Second Baptist Church**  
   **1280 Summit Street, Elgin, IL**

## Register First

- If you have symptoms or have been exposed, please call 877-819-5034 or visit [aah.org/testing](http://aah.org/testing) to see if you qualify.
- It is important that you contact us to register first as everyone needs an appointment to be tested.
- We will try to provide a same day appointment.
- Advocate Aurora Health welcomes anyone who qualifies, regardless of your ability to pay.
