

PREPARED, NOT SCARED

FEMA

National Preparedness Month 2019

What can your congregation do to prepare? Here are a few ideas:

- Sponsor classes in lifesaving skills, such as CPR/AED and first aid, or in emergency response, such as CERT (Community Emergency Response Teams).
- Check in with members and neighbors to see how you can help each other out before and after a storm or other disaster.
- Make sure you identify people with disabilities or other vulnerabilities. Plan ahead for accessible transportation for evacuation or getting to a medical clinic.
