

Free COVID-19 test kits

Test kits must be ordered online at covidtest.gov.

Each household must order their own kits. **There is a limit of 4 tests per household.**

You can assist people in completing the order request with their permission. **The only information requested is name and mailing address.**

- Information will NOT be shared with any other government agencies.
- Information will NOT affect any social benefits
- Information will NOT track or affect immigration status.
