

Lunch and Learn: Understanding Changes to Public Benefits

Faith leaders are increasingly encountering members of their house of worship and in their communities, who are anxious and confused about changes to public benefits such as SNAP (FoodShare/Link) and Medicaid.

Free virtual workshop

**Thursday,
May 14**

12:00—1:00pm (central)

This Lunch and Learn focuses on how faith leaders can support those in their communities navigating the changes to public benefits.

By the end of the session, participants will gain:

- Information about the changes
- Suggestions on how to support those in their faith communities navigating these changes
- Resources faith leaders can share with their faith communities
