

# COVID-19 Virtual Care Program

We're partnering with the State of Illinois to help people recover from COVID-19 safely at home. The program is available to all residents over 12 months of age with known exposure to COVID-19 or experiencing COVID-like symptoms. The program is free and there are no insurance requirements.

## **The program offers:**

- Daily virtual check-ins via our LiveWell app or website for a period of 14 days
- Educational information
- Symptom self-management and support
- A home monitoring kit for those who qualify

**If you're an Illinois resident,  
call [866-443-2584](tel:866-443-2584) to enroll.**
