

Lunch and Learn: Youth Loneliness and Social Connection

Increasingly, children and teens are experiencing loneliness and social isolation, which can affect their emotional well-being, confidence, academic success, and sense of belonging.

Free virtual workshop

Thursday

August 27th

12:00—1:00pm (central)

This interactive workshop explores the impact loneliness can have on youth, and how positive social connection can built be supported.

This Lunch and Learn will provide practical strategies faith communities can use to support children, youth, and families throughout the school year.
