

HOPE IN A HURTING WORLD

Chicagoland
Trauma Informed
Congregations Network

FAITH GIVES US THE COURAGE TO GO TO THE HARD PLACES

This event provides space for exploring how grief and hope connect and how our faith, spiritual resources, and inner strength can help us mobilize love, peace, and justice as we seek healing. Together, we will bring experiences from our diverse backgrounds to share our wisdom, foster a sense of community, and generate ideas for addressing grief and healing in our own faith-based and spiritual settings.

CATHOLIC THEOLOGICAL UNION

5416 S. CORNELL AVENUE
