Instructions

PREPARE

Step One
Print and cut out the paper game.

Step Two
Place paper cruncher with illustrations facing down. Fold all four corners together so that they meet in the middle of the paper and press firmly.

Step Three
Flip over and again fold all four corners together so that they meet in the centre of the paper and give a good press.

Step Four
Fold in half in one direction, then in half in the other direction.

Finish
Stick your thumbs and first two fingers into the four pockets on the bottom of the cruncher and start crunching!

PLAY

Step One
Spell out T-R-E-A-T-Y at the same time you open and close the cruncher.

Step Two
Choose a number from one of the inside triangles.

Step Three
Count out the number you've chosen from the inside triangles at the same time you open and close the cruncher. This time, peek under the flap and read the question.

Step Four
The sentence in **bold** under the question will tell you where to go to find the answer. Go there and see if you answered right! If not, see what you learned.

Keep Playing!
Go *cruncher crazy* and repeat the steps as many times as you want!
