BUILDING STRONG BRIGHT FUTURES

YMCA Camp Wapsie

Registration begins on February 1st

DEAR WAPSIE FAMILIES,

Thanks for considering Wapsie to provide a meaningful experience for your child this summer.

Camp is a place for kids to learn and grow. Wapsie is proud to help kids take a part of their summer and make it not only fun and memorable (whether the kids realize it or not), but an amazing learning experience. Wapsie staff help kids grow in confidence, learn decision making, communication and many other life skills while developing friendships and lifelong memories.

We are coming off a strong year in 2016 as we approach our centennial year in 2018. We served 1880 campers in 2016. That is more than we have served in any year on record.

We have also made many facility improvements at camp, including a monumental infrastructure improvement; installing a new wastewater treatment facility. This enables camp to treat our own wastewater and remove the old lagoon. In addition, we installed a new Hammock village, where cabin groups can schedule sleep outs under the stars. Before summer, we hope to install two new seasonal sleeping structures for even more program opportunities.

Last year we did have some unwanted visitors, namely bedbugs. Rest assured, we have treated the affected areas, worked with a professional company and continue to monitor for any signs of activity to limit opportunities for these and other unwanted pests to be brought into camp.

Finally, we are building excitement for all the campers who have grown at camp the last 99 years and are working towards a special Centennial year in 2018. We hope your family can participate in all that YMCA Camp Wapsie has to offer!

In Camping,

Paul Denowski, Executive Director, YMCA Camp Wapsie

Making Camp Affordable for Everyone

Tier Pricing

Camp Wapsie has three pricing levels to better accommodate differing incomes. Please select the highest tier you can afford, to allow YMCA Camp Wapsie to continue to improve the quality of each camper's experience.

Our tiered pricing system in no way influences your child's experience! We feel it is important to share the true cost of running YMCA Camp Wapsie. This gives families the opportunity to decide how much they can contribute toward their child's experience.

Tier A most accurately reflects the true and actual cost of YMCA Camp Wapsie.

Tier B is a partially subsidized rate, but more closely reflects the actual cost of camp.

Tier C is camp's most subsidized rate, which does not represent the true cost of camp. This rate is subsidized by the work of volunteers, fundraising and sustaining contributions.

Financial Assistance

YMCA Camp Wapsie and the YMCA of the Cedar Rapids Metro Area are committed to providing quality programs to everyone, regardless of their ability to pay. We believe that all kids deserve the opportunity to discover who they are and what they can achieve. The Y is for Youth Development.

Financial Assistance is subsidized by the YMCA Annual Support Campaign. Families can contribute to the campaign or get an application to request assistance by visiting www.campwapsie.org or calling 319.435.2577.

"Earn your way to Camp" Candy Sale

Camp Wapsie's Candy Sale is February 4-25, 2017. This opportunity allows campers to learn lifelong skills while earning 90 cents for each \$2 candy item sold. The candy sale is open to anyone wishing to attend summer camp in 2017. Visit one of the sites below to get started and check out candy. Additional information is available on our website or by calling the camp office. Any camper who sells 10 cases or more earns a Power Moose seller T-shirt!

Play, Learn and Grow Through Day Camp

Day Troopers run all 9 weeks of the summer.

Day Trekkers Day Camp

Youth entering 5th through 8th grades can enjoy camp activities at Wapsie during the day. Day Trekkers, along with their counselors, have the flexibility to create their own schedule which can include: climbing the tower, horseback riding and participating in organized camp activities such as Special Days and Mission Impossible. Day Trekkers run all 9 weeks of the summer. Meals are included with the Day Trekkers experience, and the week includes a Thursday overnight at Camp Wapsie.

Discover Yourself Through Resident Camp

With each overnight experience, campers grow through structured activities that foster growth and creativity. Campers learn decision-making, creativity and technical skills as they choose programs that appeal to them. Wapsie's 1:6 counselor-to-camper ratio provides a college-aged senior counselor and a junior counselor for each group of twelve similar-aged campers. These counselors provide supervision and are role models that campers interact and learn with. Group living develops community and social skills while creating lifelong friendships.

Teepee Village

Our Teepee Village program provides structured activities with the security and support that 1st-3rd graders need for a successful camping experience. They sleep on bunks in canvas teepees built on wooden platforms. Teepee campers stay together in their groups as they participate in age-appropriate camp activities.
