Cost-Efficient Labelling

Increased
Productivity

Enhancing work productivity

- Save time by eliminating the need to peel off and discard label liners
- Simply stick and remove as required
- Easy-to-use drop-in paper loading

Reduced
Transportation Costs

Lower TCO

- Eliminating silicon liner backing waste equals zero landfill costs and reduced freight expenses
- Up to 40% more label length available on a linerless paper per roll compared to traditional liner-backed media
- Savings in storage space and transportation costs

Warehouse
Space Savings

Lower Environmental
Impact

Eco-Friendly

- Reduces disposal and impact on the environment
- CO₂ emissions decrease due to eliminating liner incineration
