

Training

INSTRUCTORS:
Angel Johnson
Kaylee Blevings

Angel and Kaylee are Training Officers within the Division of Safety & Hygiene's Education & Training Services Center. They collaborate with BWC safety staff to plan and host both in-person and virtual training events across the state. While each of them have been with the Division for less than 6 years, they have quickly gained a vast amount of knowledge and experience in preparing subject matter experts to effectively deliver content virtually. They have also supported the Ohio Safety Congress & Expo as on-screen and chat room moderators.

Best Practices for Virtual Safety Training

10:00 a.m. - 11:30 a.m.

July 27, 2023

Events of the last two years highlighted and hastened the need for businesses to adapt in-person training to remote learning platforms. Since October 2020, the Division of Safety & Hygiene's Education & Training Services Center (ETSC) has hosted hundreds of live webinars and virtual training classes. Experienced ETSC team members are pleased to share trends and best practices developed from these events while encouraging others to embrace the possibilities of a virtual platform. Participants will be exposed to various tools and techniques used to engage students while delivering important training content.

* BWC is accredited by IACET to offer 0.15 CEUs for this webinar. Completion of this webinar also qualifies for a variety of BWC discount program credits based on employer participation.

- To receive online training credit for BWC programs, provide a BWC policy number during registration, attend the whole session, and pass the knowledge assessment.
- When your registration is complete, you will receive a confirmation email with instructions for joining the webinar. It is recommended you click the link within your email approximately five minutes before start time.
