

BWC offers virtual safety training classes (VTCs) to provide opportunities for students to learn remotely from the convenience of their home or worksite. They are instructor-led classes providing the opportunity for participation and interaction consistent with the comparable BWC in-person class experience. VTCs offer the same continuing education units (CEUs)* and the same BWC program credits as the equivalent in-person class.

How to register for a VTC

Visit the BWC Learning Center at www.bwclearningcenter.com

- Enroll into any class section within a course that has class sections listed as “virtual training” on the enrollment screen. Virtual training classes are listed separately from in-person classes and include (VTC) at the end of the title. *Example: Job safety analysis (VTC)*
- WebEx details will be emailed and are also accessible in the Learning Center in your enrolled section information by clicking the “+” for details.
- You will be contacted by a BWC WebEx host 2-10 days before the training date.
- On the day of your scheduled VTC, you will use the URL sent to you by WebEx when you registered to enter the virtual classroom.
- VTCs are listed in the Learning Center and promoted on the [events page of BWC’s website](#).

System requirements

To attend and participate, you will need:

- A computer with microphone and speaker set-up with a headset or other low feedback system.
- Internet access that meet or exceed WebEx compatible [system requirements](#).
- WebEx player downloaded before entering training.
- A working email address in student’s registration account within BWC Learning Center.

NOTE: iPads, Android tablets, Chromebooks, cell phones, and other comparable devices have limited functionality and are NOT RECOMMENDED for online training.

Necessary for a student completion

To receive credit, you will need:

- Sufficient content time in WebEx to match credits assigned to class.
- Participation in classroom activities in WebEx.
- Completion of the online knowledge assessment with a passing score within two days after the class.
- A student account at the BWC Learning Center (or LMS). The student account must complete the online knowledge assessment and match the name used to attend the class in WebEx.
