

BWC offers virtual safety training classes. BWC virtual training classes (VTCs) provide an opportunity for students to learn remotely from the convenience of their home or worksite. They are instructor-led classes providing the opportunity for participation and interaction consistent with the comparable BWC in-person class experience. VTCs offer the same continuing education units (CEUs)* and the same BWC program credits as the equivalent in-person class.

How to Register for a VTC

Visit the BWC Learning Center at www.bwclearningcenter.com

- Enroll into any class section within a course that has class sections listed as “virtual training” on the enrollment screen. Virtual Training Classes are listed separately from in-person classes and include (VTC) at the end of the title. *Example: Job safety analysis (VTC)*
- WebEx details will be emailed and are also accessible in the Learning Center in your enrolled section information by clicking the “+” for details. Refer to the More Information link below for the “Enrolling” help document.
- You will be contacted by a BWC WebEx host 2-10 days before the training date.
- On the day of your scheduled VTC, you will use the URL sent to you by WebEx when you registered to enter the virtual classroom. If you need assistance joining the session, refer to the More Information link below to find the “Join a WebEx” help document.
- VTCs are listed in the Learning Center and promoted on the [events page of BWC’s website](#).

System Requirements

To attend and participate, you will need:

- A computer with microphone and speaker set-up with a headset or other low feedback system.
- Internet access that meet or exceed WebEx compatible [System Requirements](#).
- WebEx player downloaded before entering training.
- A working email address in student’s registration account within BWC Learning Center.

NOTE: iPads, Android tablets, Chromebooks, cell phones, and other comparable devices have limited functionality and are NOT RECOMMENDED for online training.

Necessary for a Student Completion

To receive credit, you will need:

- Sufficient content time in WebEx to match credits assigned to class.
- Participation in classroom activities in WebEx.
- Completion of the online knowledge assessment with a passing score within 2 days after the class.
- A student account at the BWC Learning Center (or LMS). The student account must complete the online knowledge assessment and match the name used to attend the class in WebEx.
