

Safety for the non-safety professional

Do your job responsibilities require you to handle safety, loss control, OSHA compliance, or workers' compensation claims? Are you new to the safety field? In this instructor-led class, you'll learn to recognize hazards in the workplace, justify the need for a safety and health program, and locate additional resources and assistance for safety plan development. Join us to receive valuable training and CEU course credit.

May 28, 2026
8:30 a.m. – 4:15 p.m.

Location:

Canton Service Office
Training room - Hoover
339 East Maple Street
North Canton, OH 44720

BWC offers in-person occupational safety and health courses to Ohio employers with active workers' compensation coverage and their employees at no extra charge.
