

CANTON

BWC Service Office

339 East Maple Street
North Canton, OH 44720

Our INSTRUCTORS represent more than 100 years of combined safety training experience.

Cari Gray, CSP is a Safety Consultant who enjoys leading engaging, hands-on safety classes for all types of employers.

Deb Bailey is a Safety Consultant who believes in adult learning techniques including hand-on activities and interactive conversations.

Rick Maj, CSP is an Industrial Hygienist and a trainer who successfully makes safety make sense and has fun in the process.

Eric White, CHST is a Safety Consultant with expertise in construction who has knowledge that crosses all safety fields and brings a unique approach to this class.

Plus special guest speakers who will cover various topics.

IN-PERSON safety classes are back!

BWC is once again offering in-person occupational safety and health courses as a benefit for Ohio employers with active workers' compensation coverage and their employees at no extra charge.

Check our [SAFETY SERVICES CATALOG 2022-2023](#) for course offerings, enrollment instructions, and more.

UPCOMING CLASS:

OSHA 10 Industry Safety Basics

September 28-29, 2022

8:30 a.m. - 4:15 p.m.

Great for managers, supervisors, maintenance, safety team members, and any employee interested in safety.

This course covers safety basics in general industry. Students will learn effective safety and health evaluation of industry sites, hazard recognition and possible solutions for safety issues, and best practices for compliance with OSHA 29 CFR 1910 regulations. After this course, students will be able to suggest control measures to mitigate risk factors.

We've got you covered!
