## **EXCLUSIVE ASA MEMBER BENEFIT**

***What our members have been asking for: A Nationwide Healthcare Network Designed for Choice, Quality, and Savings***

### **Access One of America's Largest PPO Networks**

The First Choice Health National PPO provides **ASA members** nationwide access to quality healthcare through an extensive network of:

- 350,000+ Healthcare Providers
- 8,800+ Medical Facilities
- 1,250+ Hospitals Nationwide

Whether you're at home, traveling, or have employees working in multiple states, quality care is always within reach.

### **Part of the New ASA Healthcare Program**

The **ASA Healthcare Program** was developed to provide our members with the healthcare solutions they have been asking for, including:

- National PPO Network
- Competitive Health Plans
- Broad Provider Access
- Flexible Coverage Options
- Cost-Effective Benefits for Automotive Repair Shops

### **Compare Before You Renew**

Before making your next health insurance decision, compare your current plan with the new **ASA Healthcare Program**.

We'll provide an objective comparison of your current plan's coverage, benefits, provider network, premium costs, and overall value.

If your current plan is the better choice, we'll tell you.
