

Summer Food Program Best Practices Summit

Summer can be a time of hunger for kids in Pennsylvania,
but YOU can help ensure that all kids have access to healthy meals.

Join the Pennsylvania Summer Food Service Program (SFSP) Task Force at one of our four summits below. Each summit will bring together current and prospective Summer Food Program sites and sponsors for a day of sharing and networking. Each summit will be geared toward increasing access to the Summer Food Program so that more kids have access to meals all summer long. Please see below for summit information.
