

Wildlife, Horses & Raptors in Winter Photo Workshop

January 10-15, 2024

Join professional wildlife photographer instructor Kathleen Reeder for an incredible photo workshop in Kalispell, Montana. With expert wildlife photography instruction before and during the workshop, and a vast array of beautiful wildlife, raptors, and horses to photograph in snowy conditions, you will capture the images you have dreamed about!

Workshop Highlights

- An informative online webinar presentation that covers wildlife, raptor and horse roundup photography composition tips, camera settings, recommended gear, and a slideshow of photos (with camera settings) taken by Kathleen in the shooting locations to prepare you to maximize your camera's potential.
- 6 raptor photo sessions. A selection of 6 birds of prey chosen from a wide selection of owls and hawks including Snowy Owl, Great Horned Owl, Long Eared Owl, Saw-whet Owl, Barn Owl, Pygmy Owl, Western Screech Owl, Great Grey Owl, Red-tailed Hawk, Harris's Hawk, Swainson's Hawk, Rough-Legged Hawk, Ferruginous Hawk and more. Photograph the birds at eye level, perched in natural settings and in fresh snow.
- 2 horse roundup photo sessions. A morning and afternoon photo session consisting of multiple large group horse drives, with the horses running over a snowy hill towards you and opportunities to photograph the western-dressed wranglers.
- 8 wildlife photo sessions. The 8 sessions will be selected from the following species: Snow Leopard, Amur Leopard, Siberian Tiger, Grizzly Bear, Mountain Lion, Arctic Fox, Arctic Blue Fox, Red Fox, Gray Fox, Cross Fox, Silver Fox, Canada Lynx, Siberian Lynx, Tundra Wolf, Arctic Wolf, Wolf Pack, Bobcat, Coyote, Porcupine, Raccoon, Badger, Pine Marten, Spotted Skunk Striped Skunk and more. The animals are healthy and will have their gorgeous winter coats. Species not included in the cost of the 8 sessions will be offered to participants at an additional rate of \$175/person/session. Wildlife photo sessions are scheduled for 3 days, with an additional day reserved in the event of inclement weather. In the event the 4th day is not needed as a makeup day, additional sessions will be offered at the additional rate.
- The most common lens used for all photo sessions is a 70-200mm (based on a full frame camera sensor).
- Class size is limited to 12 participants.

Workshop Cost

\$2695 US Dollars
