In consideration of the execution and delivery of this Agreement, the other mutual promises and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Participant and Provider, acting for themselves and their respective heirs, representatives, successors and assigns, hereby agree as follows:

1. Participant has been made fully aware that their presence and attendance at any Workshop during the Period entails a degree of risk, danger and physical exertion, including, without limitation, situations in which the Participant will be (i) in close proximity to wild animals or (ii) exposed to weather conditions bordering on or including the extremes. Participant knowingly and voluntarily accepts such risks and dangers as a condition precedent to its attendance at any Workshops during the Period. Each registration for a Workshop during the Period constitutes a reaffirmation of this condition precedent and acceptance of these risks.
2. Participant represents and warrants to Provider, such representation and warranty being a material inducement to Provider agreeing to accept Participant’s registration for, and attendance at any Workshop during the Period: that it (i) fully understands and assumes the risks and dangers present with its attendance at any such Workshop during the Period; (ii) fully understands that emergency and elective medical facilities and services may be unavailable or ineffective; (iii) has received and fully reviewed the itinerary and workshop description provided to (or made available to Participant on any of Provider Group’s respective websites) Participant for any Workshop for which it has registered and is physically capable of attending and participating in such Workshop; (iv) secured any and all insurance it deems necessary or prudent in connection with its attendance at such Workshop. Registration for any Workshop during the Period shall constitute a reaffirmation of the foregoing representation and warranty.
3. It is agreed that this Agreement and the Workshop descriptions and itineraries referenced in Section 2 above covers all the agreements between the Provider and Participant and that no representations or statements, verbal or written, have been made modifying, adding to, or changing the terms of this Agreement.
4. This Agreement shall apply to, inure to the benefit of and be binding upon and enforceable by and against the parties hereto and their respective successors, assigns, heirs, executors, administrators and legal representatives.
5. Provider and Participant agree that all disputes in any way relating to, arising under, connected with, or incident to this Agreement, shall be litigated, if at all, **exclusively** in the state

and federal courts located in Maricopa County, Arizona, and, if necessary, the corresponding appellate courts. Each party hereto waives any right to any transfer of venue or plea to the jurisdiction that might exist in the absence of this provision. This Agreement shall be governed by and construed in accordance with the laws of the State of Arizona. Participant and Provider waive the right to jury trial in the event of any litigation relating to this Agreement.

6. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby are not affected in any adverse manner. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

7. Provider Group reserves the right to decline to accept or retain any participant, attendee or other in any Workshop, regardless of whether a deposit has been accepted or the Workshop has commenced and full payment have been made, should, in the sole and absolute discretion of any member of the Provider Group, such participant, attendee or other have impeded the operation of the trip or the rights, safety, welfare or enjoyment of other members of the trip. Refunds of any amounts paid to Provider Group (i) prior to departure for the Workshop shall be in accordance with the published policies of the Provider Group and (ii) after the departure for the Workshop, IF ANY, shall be in the sole and absolute discretion of Provider Group, it being agreed that removal from a workshop in progress may result in complete forfeiture of any amounts previously paid. Agreement to the foregoing terms and conditions is a condition precedent to enrollment in any Workshop.

8. (a) Participant shall exercise reasonable care and diligence to prevent, and agrees not to take or cause, any actions or conditions which would result in a conflict with Provider's best interests. Participant agrees to conduct itself with respect to Provider so as to maintain the reputation and business interests of Provider.

(b) Participant agrees for a period of two (2) years from the termination of the Period, it will not directly or indirectly (or participate with or cause others to directly or indirectly) (i) become engaged in any business activities or enter into any business transactions, in each case, within a fifteen (15) mile radius of the location of any Workshop which are, directly or indirectly, related to Provider's interests without first providing notice to Provider and obtaining its written consent (which consent may be withheld for no reason or any reason) and (ii) either directly or indirectly, for itself or on behalf of any other person, firm, partnership, corporation, or other entity hire, solicit, contract for, attempt to solicit, or cause to be solicited, (a) the services of any current or previous provider or supplier of services, venues, facilities and (b) any present or past participant in any Workshop attended by Participant, in each case, without the prior written consent of Provider (which consent may be withheld for no reason or any reason).

(d) Participant acknowledges and agrees that Provider has, in reliance of this agreement, provided Participant access to locations and location information, suppliers and guides that, in each

case, took a substantial amount of time and investment to acquire, develop and refine and that such are proprietary and confidential and the trade secret of Provider. Participant agrees that Provider's agreement to allow Participant to attend any Workshop is sufficient and adequate consideration for Participant entering into this Section 10. Participant agrees in the event of any breach of this Agreement, Provider would be irreparably and immediately harmed and could not be made whole by monetary damages. Accordingly, it is agreed that, in addition to any other remedy to which it may be entitled at law or in equity, Provider shall each be entitled to injunctive or other equitable relief (without the posting of any bond or other security) to prevent breaches or threatened breaches of this Agreement and/or to compel specific performance of this Agreement, and that Participant, will not oppose the granting of such relief. Participant also agrees to reimburse Participant for all costs and expenses, including reasonable attorneys' fees, incurred by the Provider in attempting to enforce the obligations of Participant hereunder. This Section 10 shall survive the termination of this Agreement.

9. Delivery of a signed copy of this Agreement by facsimile or email transmission shall be deemed to be delivery of this Agreement for all purposes.

10. By signing this agreement, I agree to take full responsibility at all times for my own actions, safety and welfare. I understand that I will be a member of a group and will conduct myself in a way that will not endanger myself or the group.

IN WITNESS WHEREOF, the Participant has caused this Enrollment & Assumption of Risk Waiver Agreement to be executed as of the date first above written.
