Drop Notice

June 24, 2026

Dear Valued Customer,

Effective August 3, 2026, Revolution Mills will discontinue the Aspire, Sonoma, and Sun Valley styles. To better serve your needs, the top-performing colors from these three lines have been combined into a new, streamlined product called Captiva.

Captiva offers the same format and order quantities as Sun Valley and is currently available in six colors, with an additional six colors expected to arrive in August.

Please note that there will be limited availability of Aspire, Sonoma, and Sun Valley products moving forward. These styles will remain available only while supplies last, so we strongly encourage you to check inventory prior to placing orders.

If you have any questions or would like more information about this transition or the new Captiva line, please do not hesitate to contact your Carpet Territory Manager.

Thank you for your continued support of NRF Distributors. We truly value your partnership and look forward to continuing to serve you.

Sincerely,

Veronica M Nicknair
