BeauFlor Parkway Luxury Vinyl Discontinuation Notice

Dear Valued NRF Customer,

Effective immediately, NRF has decided to discontinue the BeauFlor Parkway Click & Glue Down Luxury Vinyl Collections. NRF is committed to fulfilling orders for our valued retailers in a timely fashion and professional manner, and the direction in which BeauFlor has taken the availability of this collection does not coincide with NRF's business model that our retailers have become familiar with.

Please be sure to check stock before placing your order as NRF may still have inventory available to fulfill the quantity that's needed. We apologize for any inconvenience this may cause.

We are working to find a replacement product, offering you the same platform of a click & glue option. In the meantime, please contact your NRF Resilient Division Territory Manager with any questions or for recommendations on an alternative product. Thank you for your continued business.
