

BPSOS Falls Church NEWSLETTER

MAY 2022

COVID-19 VACCINATION

A new Special Enrollment Period is underway! From now on, individuals whose incomes are less than 150% of Federal Poverty Level are eligible to enroll in Marketplace, although Open Enrollment Period is over. With the help of BPSOS, eligible individuals can enroll in this new Special Enrollment Period without the need of any special events. To know more about enrollment period, please call us at (703) 538-2190.

In April, BPSOS navigators successfully assisted about 90 individuals and families with their enrollments in Marketplace, Medicare and Medicaid. Our staff spent as much time as needed to keep clients informed about their health coverage options. Starting April, Virginia and all other states will begin re-evaluating eligibility for all Medicaid members. We can assist Medicaid members with making sure that Virginia Medicaid has their most current personal and financial information, so that there will be no problem with their future coverage.

Please call (703) 538-2190 for help with COVID-19 vaccination.

AFFORDABLE HEALTH INSURANCE

In April, BPSOS assisted 3 new domestic violence survivors who were being abused and harassed. Our case managers managed to refer them to social services and local community center, where they could get more services.

In addition, we keep providing food assistance for one survivor, who expressed deep gratitude to our case managers. We will continue to provide food and rental assistance for domestic violence survivors next month. These financial supports really help survivors and their children overcome difficulties during the pandemic.

Please call (703) 538-2190 for help with affordable coverages.
