MASSACHUSETTS
# Diabetes Network

# Join the Network!

## NETWORK MISSION

**To convene and organize together with key stakeholders working to remove barriers and improve diabetes and prediabetes resources, education, and services in the Commonwealth.**

## MEMBERSHIP

**As a member, you will get a chance to:**

- Expand your professional network with other diabetes professionals and organizations
- Receive and contribute to Network newsletters
- Earn CEUs for quarterly meeting presentations
- Join a subcommittee of interest and collaborate once a month for Network development
- And many more opportunities!

## LEADERSHIP

The **STEERING COMMITTEE** for the Network acts as the governing body for the Network. It has 3 major tasks organized into subcommittees:

### PROGRAMMING

Planning and running quarterly Network meetings. Sign up.

### PROJECT PLANNING

Soliciting project topics and recruiting project teams. Reach out for more info.

### COMMUNICATIONS

Member engagement, newsletter and information sharing Sign up.
