Cor 4:7)

### Definitions

**The Beast:** A woman acting unworthy of who she is

**The Beauty:** One who possesses the qualities of grace or excelling in grace; one who is beautiful in holiness.

The following is an overview of the audio lesson- Please review and stay encouraged 😊

### I. The struggle for Beauty

- The Indian Proverb-  
*There are two dogs inside everyone; one for good and one for evil; Whichever one you feed the most is the one that will grow.*
- Building the Christian character is a daily practice; keep sacrificing yourself to God.
- Renew your mind daily!
- The devil does not bother you if you do not renew your mind by the word. If you allow your life to be led by your emotions the devil is pleased.
- Allow the word of God to be settled in your heart just as it is settled in heaven.
- The beauty of woman comes from her lifestyle; worship the Lord in the beauty of holiness!

## II. The Beast in the beauty

- No man can tame the beast only God can.
- The joy of the Lord is our strength.
- The only thing that can tame the beast is the word of God.
- What is within you that keeps you shattered and allows you from hearing from the word of God.
- Put the cage around your beast-
  - Beast= Tongue
  - Cage= Teeth
- What is your beast?
- We have the Holy Spirit that allows us to conquer the beast that lies within us.
- Put off anger; anger leads to malice; malice leads to wrath; allow God's word to have victory over your beast.
- We are in grace; live in a place of holiness which is grace.
- Do not let what comes up; come out!
- The beast will rise up; let the words that come out of our mouths be that which builds up and not tears down.
- Sometimes you must back away; every situation does not always need a response.
- Remember it is not about you; It's all about God!

## III. The latest fashion for a woman of Holiness

Imagine a fashion show with 1 model(you) based on Prov 31:10 – There is only 1 designer (God) although the designer uses the same materials over and over again. He designs each fashion as an original for the purchaser.

This design is fashionable for the Springtime, Summertime, Fall Time, and Wintertime sistars and his fashion never goes out of style!

The designer of this model promises that if you wear his creations, sometimes you will be noticed and talked about, sometimes you will be hated, and other times you will be loved. Sometimes you will be cheered other times you will be jeered. If you were his fashions, he can promise that you will be in style anywhere you go.
