THE REGISTRATION PROCESS begins promptly at 7:30pm, EST, 6:30pm, CST and 5:30pm PST.

**Q. How to register?**

A. When you dial-in, provide the host with your first and last name (speak up and speak clearly to compensate for any background noise when we first dial in), your city name, and the name of your home congregation. **If it is your first time calling in, please let the host know.**

IMPORTANT: Once you register, put your phone on "mute" or press \*6 to manually mute your phone. THE PRAYER CALL HOST will make every effort to start the prayer requests at 8pm EST, 7pm CST, 5pm PST.

However, due to our rapid growth, please be patient with each of your sisters.

**Q. How do I make a prayer request?**

**A.** The host will call the names of the congregations first. When you hear the host call your congregation's name, you can then make your requests
