

Every student's Activity Fee
makes a difference in our classrooms

2017-2018 STUDENT ACTIVITY FEES

Payment is Due October 1

Elementary and Middle School families are expected to pay an annual, nonrefundable student activity fee. We count on these fees as a part of our operational budget. When fees aren't received it can impact how much we can spend in classrooms.

Student Activity Fees go toward purchasing:

Student workbooks
Consumable classroom supplies
Software licensing for technology programs
Buses and tickets for field trips
Elementary specials program materials
Middle School electives
Special educational guests
Community school supplies

Reduced and Free-Lunch eligible families are qualified for reduced student activity fee rates, and all families are eligible for a payment plan.

To apply, go to:

<http://www.schoolnutritionandfitness.com/>

Pay Fees Online through RevTrak
flagstaffacademy.revtrak.net

Or pay with cash or check

Student Activity Fees payments are non-refundable

Cut here and return with check/cash payments
