

Leadership Letter for Friday, August 23, 2019

Happy Friday Dragon Families!

There are so many great things going on in this building every day. We have an amazing staff who are always looking to improve and I'm so proud of the accomplishments of our students and staff. If you did not see this article from the [Left Hand Valley Courier](#), please check it out.

Another group that makes a huge difference in our success are our volunteers. Each year, volunteers donate over 20,000 hours of valuable service to our school. This service is critical in helping us close the charter school funding gap we face every year by providing the equivalent of ten employees' worth of work. As well, our strong volunteer and family involvement is what makes our school of choice an amazing community who are all pulling for our children.

We have many different volunteer opportunities throughout the building and throughout the school year. We can always find an opportunity that matches your schedule, your skillset, and your passions. We ask each family to provide 30 hours of volunteer service, which is only three hours per month, to help us achieve our goals. Here are just a few ways you can help:

- Serve on a [Board of Directors committee](#) such as the School Accountability Committee or Finance Committee.
- Volunteer in classrooms to provide direct help to teachers. No education experience necessary. Just a willingness to help and work with children.
- Volunteer to help our amazing [Parent Teacher Organization](#) (PTO) with various special events, fundraising efforts, and school programs.
- Are you handy? Help with upkeep of our facility or computer systems by providing routine maintenance work to keep our building safe, efficient, and looking good.

These are just a few of the ways volunteers make our school successful. For more information, please join us next **Thursday, August 29th**, for a volunteer information event from either **8:30-9:15 a.m.** or **6:30-7:15 a.m.** in the Commons.

Learn about opportunities from our **Volunteer Coordinator, [Jeannie Torres](#)**, and how we can always find a way to use your talents and time effectively.

Thank you in advance for your time and service.
