

## **New Dragon Flight Enrichment Classes and Non School Day Care**

To register for after school enrichment classes, late starts, and non-school days, please go <http://www.flagstaffacademy.org/apps/pages/before-after-school-care>. To go to the Dragon Flight page, please go to: Flagstaff Academy>Campus Life>Before and After School Care. **Enrichment:** All students should meet in the cafeteria at 3:25pm. Every student should bring an afternoon snack to eat in the cafeteria during roll call. Students should wait on the white wall in the cafeteria after class for their parents to pick them up. Dragon Flight staff will sign each student out to their parents. Please use the cafeteria doors to pick your child up. You will need to fill out the door code waiver in order to receive a private code for entrance (found on the Dragon Flight page under Parent Resources). Staff and other parents will not be letting people in. If there is no school, there is no class. For questions, please contact Jeanna Peppler at 303.217.6764 or [jpeppler@flagstaffacademy.org](mailto:jpeppler@flagstaffacademy.org)

**Beebots** Are you looking for a fun and innovative way for your 2nd, 3rd or 4th grader to practice skills in math? Look no further! Beebots will combine technology and coding while students navigate to find the answers to addition, subtraction and multiplication problems. Students will also work in teams to create a character storyboard to present at the end of the final class. They will need to draw a diagram, create costumes, read a skit, and code the path of the Beebots on their journey through the story. We may even dabble a little with 1 day STEM activities to break up our coding days. Be Bedazzled By Beebots!
