

2019 Dragon Flight Classes

To register for after school enrichment classes, late starts, and non-school days, please go <http://www.flagstaffacademy.org/apps/pages/before-after-school-care>. To go to the Dragon Flight page, please go to: Flagstaff Academy>Campus Life>Before and After School Care. **Enrichment:** All students should meet in the cafeteria at 3:25pm. Every student should bring an afternoon snack to eat in the cafeteria during roll call. Students should wait on the white wall in the cafeteria after class for their parents to pick them up. Dragon Flight staff will sign each student out to their parents. Please use the cafeteria doors to pick your child up. You will need to fill out the door code waiver in order to receive a private code for entrance (found on the Dragon Flight page under Parent Resources). Staff and other parents will not be letting people in. If there is no school, there is no class. For questions, please contact Jeanna Peppler at 303.217.6764 or jpeppler@flagstaffacademy.org

Crescendo Fine Arts - Private Piano Lessons

What do Mozart, Beethoven, Dave Brubeck, Billy Joel, & Adele have in common? They all took piano lessons and became piano legends! And so can your child, with a little time and practice. In the weekly 30-minute lesson, we will cover a range of topics including creative improvising, music reading, dynamic interpretation, technical and physical mechanics of playing, and ear training, as well as learn pieces in a variety of styles. There are several performance opportunities available, including recitals, festivals, and competitions. Learning to play the piano has been shown to increase hand-eye coordination, mental focus, and emotional well-being, and also provides an artistic mode of individual self-expression. To register, please contact Jeanna Peppler.

When: Mondays - Friday

Cost : \$27.50 per 30 minute lesson (Plus Books)

No School = No Class

Grades: PreK-8

Possible fees for competition

Annual registration, four week commitment

Science Matters – My Amazing Flying Machine

Zoom your way into this high flying club. Speed your way through the four forces of flight by making a ping pong ball float, designing your own parachute, sending rockets into the atmosphere, building your own plane, and much more. Soar your way through this aerodynamic club. May the four forces of flight be with you!

When: Wednesdays – 4/17, 4/24, 5/1, 5/8, 5/15

Cost : \$70.00

Grades: K-5

Time: 3:25pm to 4:45pm

Crescendo Fine Arts - Choir

Join us in raising your voice to create a musical impact! Weekly choir rehearsals will help train students' voices, build musical and artistic skill, encourage teamwork, and provide a fun and encouraging environment in which we can share the joy of music. Families and friends will be able to share our music at an end-of-semester Winter Concert, to which all are invited. We will practice various aspects of the choral art including singing in harmony, independence of voices, diction and breathing, and the ability to read music scores. Further benefits to the student include building confidence in expression and mutual support of a common goal.

When: Wednesdays – 4/10, 4/17, 4/24, 5/1, 5/8

Grades: 3-6

Cost : \$78.00

Parent Performance: 5/15 from 4:00pm-4:45pm

Time: 3:25pm to 4:45pm

Crescendo Fine Arts - Group Ukulele Lessons

From balmy island melodies to hill-country folk tunes, the ukulele features in many different styles of music. This tiny instrument is easy to learn, versatile, and oh-so-portable, making it a great choice for musicians around the world. In our weekly class, students will learn the basics of playing uke, including chords and strum patterns, rhythms and fingerings, and reading music notation. We will work on several songs throughout the session, and at the last class we will perform a small in-class concert for parents.

When: Thursdays – 4/11, 4/18, 4/25, 5/2, 5/9 **Parent Performance:** 5/16 from 4:00pm-4:45pm

Grades: 2-6

Cost : \$78.00

Time: 3:25pm to 4:45pm

Dragon Flight Non-School Days and Late Start Care

To register for after school enrichment classes, late starts, and non-school days, please go <http://www.flagstaffacademy.org/apps/pages/before-after-school-care>. To go to the Dragon Flight page, please go to: Flagstaff Academy>Campus Life>Before and After School Care. **Enrichment:** All students should meet in the cafeteria at 3:25pm. Every student should bring an afternoon snack to eat in the cafeteria during roll call. Students should wait on the white wall in the cafeteria after class for their parents to pick them up. Dragon Flight staff will sign each student out to their parents. Please use the cafeteria doors to pick your child up. You will need to fill out the door code waiver in order to receive a private code for entrance (found on the Dragon Flight page under Parent Resources). Staff and other parents will not be letting people in. If there is no school, there is no class. For questions, please contact Jeanna Peppler at 303.217.6764 or jpeppler@flagstaffacademy.org

If your child requires any type of medication, I will need a copy of the school and prescription forms filled out by your doctor before your child can attend.

For questions, please contact Jeanna Peppler at 303.217.6764.

Summer Camp 2019

Time Traveler

Dragon Flight @ Flagstaff Academy is proud to announce that we will be offering summer camp again this year! We are trying a new structure that we believe will benefit both families and staff. There will be three camps; PreK-1, 2-4, and Teen Camp. Camp is open daily from 7am-6pm, and is only \$40 per day! Registration is now live, and we are filling very quickly. Reserve your spot today!

Please go to: <https://www.flagstaffacademy.org/apps/pages/summer-camps/> for more information and for registration.

We are also offering week long, topic focused Specialty Camps.

Time: 8:00am-11:00pm

Price: \$175.00 per Specialty Camp (if registered before May 2nd)

\$200.00 per Specialty Camp (if registered after May 1st)

Extended Care: We will offer care before/after the specialty camp for an additional cost.

7:00am-8:00am - \$5.00 per chosen am

11:00am-6:00pm - \$15.00 per chosen pm

Grade: Camps are for students going in or out of the advertised grade

To Register: <https://www.flagstaffacademy.org/apps/pages/summer-camps/specialtycamps/>

Specialty Camps are found under the Dragon Flight Enrichment tab in the registration system.

Garden Camp

The Dragon Flight Garden Camp will participate in planting, caring for and harvesting a variety of food crops and flowers. In addition to outdoor gardening, we will take care of the aquaponic system inside the greenhouse, and go fishin' (no hooks allowed) with worms from the worm bin. Each camper will come home with a decorated planter, a bird seed ornament, and a wood project.

Week 1: June 10-June 14, Grades K-5

Week 2: June 17 - June 21, Grades K-5

Week 3: June 24 - June 28, Grades K-5

Week 4: July 8 - July 12, Grades K-5

Week 5: July 15 - July 19, Grades K-5

Week 6: July 22 - July 26, Grades K-5

Babysitter's Bootcamp

This course will provide the knowledge and skills necessary to safely and responsibly give care to infants and children. Caregivers will learn how to administer First Aid, CPR, and AED along with receiving official certification through the American Red Cross. Topics covered will include ways to stay safe, what to do in an emergency, how to recognize/handle a variety of behaviors, learning what age-appropriate activities to provide children based on their development, and how to navigate finding jobs appropriately.

Week 1: June 10 - June 14, Ages 11-15

Week 2: June 17 - June 21, Ages 11-15

Week 3: June 24 – June 28, Ages 11-15

Summer Camp 2019

Time Traveler

LEGO Mindstorm Camp

LEGO Mindstorm Robot systems are a wonderful way for students to gain experience in Computer Programming and the basics of mechanisms. In this camp, we will learn to build a basic robot and program it for simple autonomous tasks. From there, we will learn about motors, various sensors (light, touch, proximity) and how to integrate them into our robots. Students may take multiple weeks of this camp to improve their skill level.

Week 1: June 4 – June 8, Grades 3-5

Week 4: July 8 – July 12, Grades 3-5

Dinosaurs/Paleontologist Camp

This camp week is filled with the wonders of dinosaurs. We will make dinosaurs eggs to dig into, make our own fossils tracks and even bones. We will discover what it is like to be on a dinosaur dig and be a paleontologist. Filled with fun crafts and hands on learning. Each camper will take home dinosaur treasures and have excitement exploring the life and land of dinosaurs.

Week 1: June 10 - June 14, Grades K-2

Engaging Engineers

Connect with [K'Nex](#) in this weeklong engineering challenge. Boys and girls of all skill levels will construct, develop, and create a variety of machines and tools designed for a specific purpose. Young engineers will develop their social and communication skills while collaborating in partners or teams to see real world examples of different science concepts like making work easier, chain gears, or classes of levers. Using K'Nex and their imaginations, each team will solve a daily problem building a finely designed machine.

Week 1: June 10 - June 14, Grades K-2

Paint and Sip Camp

Come and play in the colorful world of paint! If you have a young artist in your home, sign them up to paint with Ms. Applehans. We will unleash our artistic side and nurture ideas and creativity! We will paint on a variety of materials using different tools. Who can forget the sipping part!! We will enjoy a variety of yummy drinks, sipping through silly straws.

Week 1: June 10 - June 14, Grades 3-5

Beginning Cake Decorating Camp

Last year's campers are welcome! We'll perfect previously learned techniques and learn some new ones. Have you always wondered how they make those beautiful cakes on the Food Network? Well, here's your chance to learn. Campers will learn how to make icing from scratch and how to ice cakes like a pro. Building new skills daily, students will bring home a beautiful cake for their family to share on the last day. Your student will work with many decorating tips such as; a writing tip, petal tip, star tip, and leaf tip. They will go home each class with a cake or cupcakes to share with the family.

Week 1: June 4 – June 8, Grades 6-8

Minecraft Co-op Camp

On the surface, Minecraft seems like a simple game. The Minecraft world is large, open-ended and full of hostile creatures. You must mine stone, chop wood, build shelter, grow food, and build weapons to survive. But to move on to large and complex building projects, a community of Minecrafters must work together. As a group, students will design and plan a city. Students will establish rules and conventions, cooperate with each other, manage scarce resources and create divisions of labor. Students have much to learn from this process. In this camp we will all play vanilla Minecraft on our own server. The world will be fresh, and as a group we will decide what to build. And most importantly - have some summer fun! Students must already have a Minecraft account and bring their password and userID with them.

Week 2: June 17 - June 21, Grades 3-5

Summer Camp 2019

Time Traveler

Pampered Girlfriends Camp

Manicures, pedicures, and glitter galore; these are just a few of the things that girls adore! Campers are invited to DIY spa products made from natural and organic (when possible) ingredients like LUSH-style bath bombs, deliciously-scented bubble bath, and sparkly lip gloss. Alongside the pampering fun, discussions of trustworthiness, generosity, dependability, honesty, and forgiveness will help develop important character traits for genuine friendships. Additional girly craft projects such as decorated pillowcases and ribbon flip flops will top off our week.

Week 2: June 17 - June 21, Grades 3-5

Space Camp

This camp week is filled with the wonders of universe. We will make a planet mobile, simulate a moonwalk, make the phases of the moon with Oreos, pick a planet to research on Pebblego.com, keep an astronaut journal and sample freeze dried food, make a mini-planets book and answer comprehension questions. We will measure the distance between the planets in relation to the sun. Each camper will take home various fun-filled crafts and hands-on learning activities. A week of Space Camp will be out of this world!

Week 2: June 17 - June 21, Grades K-2

Advanced Cake Decorating Camp

For students who have finished Beginning Cake Decorating or have had previous experience with cake decorating. Throughout the week, students will draw and design a cake for the end-of-week challenge. Friday is our Cake Design War where campers will design and execute their very own cake. **Parents are welcome to attend Friday's "Judging" and awards ceremony starting at 10:30 a.m.**

Week 2: June 17 - June 21, Grades 6-8

Keep It Cool Camp

Cool off this summer while playing with ice, water and snow!! We will be doing lots of fun activities. Swim suit not necessary, but we may get wet! There are yummy treats that involve ice, so don't miss out.

Week 3: June 24 - June 28, Grades K-2

Cooking Camp

Will accommodate for allergies. Recipes are different in weeks 3 and 6.

Time to roll up your sleeves, wash your hands, and head into the kitchen for a week of ingredient filled fun. All week long, our young chefs will be making a variety of foods. From breakfast to night time dessert, young chefs will expand their culinary abilities, while exploring the ins and outs of cooking. Learning to have fun and be safe in the kitchen, eat healthy, incorporate math, and collaborate with other kids are just some of the many things we will do. Get your aprons on (we will be making those in class) and your measuring cups out, because we have lots of cooking to do!

Week 3: June 24 - June 28, Grades K-5

Week 6: July 22 – July 26, Grades K-5

Kindergarten Camp

The first day of Kindergarten can be a little scary, but this camp will show your soon to be Kindergartener just how much fun it can be. Join us as we see what Kindergarten is all about. We will sing, play, paint, explore, go outdoors, read, plus so much more. Your little one will not want to miss out on this summer camp adventure.

Week 4: July 8 - July 12, for students entering Kindergarten

Epic Science Camp

Welcome into the wild and wacky world of science! Young campers will get hands-on with labs in kitchen science, forensic science, and chemistry. Additionally, they will investigate specimens with magnets, microscopes, and hand lenses. Engaging experiments will grow, pop, burst, bubble over, rot, and melt. Some sort of slimy, sticky, gooey substance will be concocted to take home every day. Who knew learning about science could be so exciting?

Week 5: July 15 - July 19, Grades K-2
